The Edge of Illusion

The Silence Industry

Release	5 January 2009
Formats	, Digital
Label	Aenaos Records, New Planet Reloaded
Genre	Gothic Rock / Post-Punk / Post-Rock / DIY
FFO	Christabel Dreams, The Trespass, Noctiflora, Salvation Amp, Lotus Feed

The 4th release from The Silence Industry. This time The Silence Industry can be heard refining their unique sound which combines elements of post-punk, industrial, noise, dream-pop, psychedelia and goth-rock. "The Edge of Illusion" is a reference to our dispossession and our struggles to overcome it: a theme that runs throughout the release.
