Since 2007 the Canadian Graham J., mastermind of the band, bestows us again and again with releases, that blast off a lot of musical borders. Noise, Progressive Rock, Post Punk, Gothic Rock, even a pinch of pop is part of the music. That oneself can merge all those styles successfully to a top quality album, is proven once more with “The Maw Of Sleep” by THE SILENCE INDUSTRY. Familiar quality meets new ideas and gets packed into the mentioned alloy, to offer a firework of this unique music to old as well as new fans.
